

Latin Americans United for Progress' 10th Annual Youth Leadership Conference HelloCareer Exhibition Invitation

On behalf of the Latin Americans United for Progress Board and its Youth Leadership Conference Planning Committee, we excitedly invite you to participate in “**HelloCareer.**” signature component of the 10th Annual Youth Leadership Conference (YLC) that will take place at Hope College on Tuesday, February 13, 2018

What is HelloCareer?

HelloCareer is an interactive education and career exploration experience that introduces 700+ area youth to local organizations and the many sectors and career opportunities they represent and college advisors who can help answer questions about the academic pathway associated with each.

HelloCareer IS NOT an employer or college recruiting event.

The HelloCareer Format:

Local businesses and organizations will take over the Hope College DeVos Fieldhouse floor (broken down by sector/pathways) with interactive booths/displays.

All 9th-12th graders (typically 700+) will spend approximately 10 minutes engaging with organizations and advisors in each pathway and will have an opportunity meet with every participating organization.

Featured Pathways

- * Health Services & Health Sciences
- * Engineering/Technology/Manufacturing
- * Human Services
- * Business/Management/Marketing
- * The Art, Natural Sciences & Communication

Your Organization's Commitment

- * Staff member (or small team) who is able to engage with high school youth and is knowledgeable about your goals/objectives, day-to-day job flow, necessary training/education, growth potential in the field
- * A display that highlights the work of your organization in this particular pathway (it could be a product, demonstration of a service, or interactive display)
- * Event time commitment: Approximately 7AM-2PM (includes set up, session 1, lunch, session 2, and tear down)

Our Commitment to You

- * Tips for creating a successful and engaging display
- * Timely and comprehensive communication prior and day of the event
- * Tables, wireless internet, and electricity to accommodate a variety of display types
- * Lunch and networking opportunities
- * A day filled full of fun, inspiration, and opportunity!
