Dear LAUP supporter,

The Board of Directors of Latin Americans United for Progress cordially invites you to sponsor our Second Annual LAUP Gala on November 3, 2017 at the Laketown Golf and Conference Center in Saugatuck.

This year, we are pleased to honor Hope College and Tony Castillo of Milagro Six for their outstanding contributions and support of LAUP over many years.

As always, we will highlight our work in the past year and our vision for the coming year. The black tie event will feature fine food, drink, networking and the Latino sounds of musical group, 5 En Clave.

Most importantly, your financial support enables us to provide services and programs that empower Latinos to participate in creating a better community for all!

Your support will help enable 60-70 youth to participate in LAUP's highly regarded weekly youth programs and help more than 800 students attend LAUP's 2018 Hispanic Youth Leadership Conference! Because of you, 30 adults are on the path to U.S. Citizenship and more than 100 adults began learning computer and English language skills this past fall.

We hope you will pledge your sponsorship and help us celebrate at our Gala on November 3rd!

Sincerely,

A handwritten signature in black ink, appearing to read "Roberto Jara", written in a cursive style.
